

The Wonders of Nature (Hardback)

By Jane Werner Watson, Eloise Wilkin

Random House USA Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Isn't it a wonder that out in the pond, smooth wiggly tadpoles lose their tails and grow legs, and turn into frogs? And that fuzzy caterpillars weave silken cocoons around themselves and go to sleep, then wake up as pretty moths or butterflies? It's a rare nonfiction book that's also a simple, beautiful poem. In this gorgeous Little Golden Book from 1957, Eloise Wilkin's stunning and realistic artwork is accompanied by gentle text that brings an awe of nature to the youngest readers.
