By Simon Barrow

CHURCH HOUSE PUBLISHING, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. Presence and Prophecy is an extensive resource for everyone involved in theological education to help rethink its challenges. Students and teachers in theological colleges, seminaries, courses and schemes will find it useful, but it is also relevant to those involved with Christian basics courses, local church study groups and other informal educational events. This Study Guide will help many different groups tackle the different issues raised in Presence and Prophecy. It lays out some ways of engaging with the ideas in the book, linking the themes and joining in an important conversation about how the Churches in mission can really make a difference in people's lives. Whilst this Study Guide contains a summary of the material in the main book, it will be difficult to use to full effect without a copy of the full report Presence and Prophecy.
