The story chronologically follows Manhattan: Seeds of the Big Apple , the 17th century saga set in New Amsterdam that becomes New York City. ( visit ) In the opening scene Margaret Vandenberg, wealthy, strong-minded, intelligent (sole daughter of a Dutch immigrant and Native American) watches the departure of the census taker s carriage, fearful that the provincial official has made a few dangerous discoveries while visiting her vast northern plantation . Margaret s main concern--one that she has trouble believing herself-- is that one of her beloved Negro slaves is helping runaways. Later an attack is the catalyst for a horrific discovery from which Margaret and her people struggle to recover. Margaret, despite her wealth and position, is no stranger to prejudice. Well into her thirties, as she prepares to marry for the first time she faces many issues. She vows that she will leave all of...
