## **THE SERPENTS OF LIFE AND DEATH: THE POWER OF KUNDALINI AND THE SECRET BRIDGE BETWEEN SPIRITUALITY AND WEALTH (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The bridge between spirituality and money is happiness. Happiness isn't obtained without peace and peace is unreachable without balance. In the materialistic perspective about reality we notice a force confronting the need for equalization of complements in the path for spiritual development. Therefore, in its most metaphysical meaning, we can perceive the concept of balance as referring to the interaction between fire and water, earth and air, yin and yang, strength and weakness, action and inaction, man and woman, conscious and unconscious, and so on. In its pragmatic form, such duality is seen in the divergence between spirituality and money, as these two elements can be acknowledged as the lowest and highest forms of being - mind and matter, but also body and soul. The evaluation of concepts as high and low or good and bad, however, only finds a realization in the human mind, deluded by material operations related to space and time, and unaware of the importance each dualistic meaning has within the eternal cycle of life and death. A person can assume the possibility of life without one of the two poles, but such believe reveals false within the dynamics that affect existence. The Rig Veda, for example, clearly states that A combination of righteous knowledge and righteous actions help us to earn wealth. Never were humans intended to prosper in health, intellect and spirit or body, mind and soul, without everything that supports and promotes life, money included. The only question with wealth is: what do you do with it (John D. Rockefeller). Wealth has become the main determinant of life on planet earth and a massive karmic challenge that, if surpassed, can lead to...
