## POWER OF ISA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I m sure you ve heard of the book Think and Grow Rich which at its time started a whole new genre of writing; Self Help. Napoleon Hill s dream to write a book for the generation of his time lead to a new way of viewing the world and self deveopment. Well I can t say for certain that Power of ISA will start a new genre, perhaps science of spirituality? What I can say for certain is that anyone who reads Power of ISA will be enthralled and enchanted by the ideology of freedom correlated to science history and spirituality. Each page will be an eye opener and a clensing experience. Napoleon Hill once said, That the modern preacher would not only have to speak in terms of todays, but would have to help an indivual btter thier own financual curcumstnces in order to live a decent life. I want to take that concept one step farther and say that the modern artist would not only have to engage the reader audience or conference table from an intellectual level but also from a scientific manner to truly decrypt understanding from an in depth stand point.
