

Anatomy for the Artist (Hardback)

By Sarah Simblet

DK Publishing (Dorling Kindersley), United States, 2001. Hardback. Condition: New. American. Language: English . Brand New Book. A beautifully illustrated guidebook to drawing human anatomy, from the professor who teaches the subject at the University of Oxford's Ruskin School of Art. In ten masterclass sections, Simblet breaks down great works of art, from Hans Holbein's *The Body of the Dead Christ* to Edward Hopper's *Hotel Room*, using photographs of models in the same pose to invite readers to see the human body as the masters did. *Anatomy for the Artist* equips artists of all levels with...
