AS A MAN THINKETH AND IT WORKS (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Two classics paired for maximum results. As A Man Thinketh: This classic best-selling self-help book spawned a new era of thought. James Allen writes that a man is literally what he thinks, his character being the complete sum of all his thoughts. Before *The Secret* and *The Law of Attraction*, Allen's teachings were inspiring those who seek to better their lives through personal revelation. *It Works: The Little Red Book* that simply and concisely explains exactly how to get what you want. As A Man Thinketh will explain why and *It Works* will tell you exactly how to apply this magical method of obtaining all your heart desires. James Allen (1864-1912) was a philosophical writer known for his inspirational books and poetry. Overcoming tragedy early in life, he and his wife retired to the country to live a simple life of contemplation, and to publish his books and a magazine, *The Light of Reason*. As a Man Thinketh is Allen's most well known book, and the inspiration behind contemporary works such as *The Secret*. R.H.J. is the anonymous author of the life-changing book, *It Works*. Both of these books are short in length but huge in depth. This version includes the complete and unedited text of the original publications.
