Who should read this Youve got a ukulele. Youve watched some lesson videos on the web and tried to play along. But you cant seem to make progress. The videos move too fast for you to follow. Some pro guy says just do it like this. You would love to just do it like this, but you cant really see what hes doing, or figure out why your attempts to copy him dont sound so good. Or youve tried to work through a ukulele book. Maybe there are a few explanatory pictures but you cant see how to make your hand position match the picture. You tried to follow the instructions but you cant really hear whether youre doing it right or not. Youre disappointed and frustrated because you want to have fun with ukulele, but you cant seem to make any headway. You might even feel ready to give up. Wouldnt it be great to play ukulele music Youd have a fun new hobby. You could take your uke on camping, bike or ski trips. People...
