SLEEP TRAIN YOUR BABY IN 48 HOURS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This guide is for mothers who have problems getting their babies to sleep through the night and at appropriate times and would like to train their baby to do so. In this book, you will find the approach I used to sleep train my baby in literally 48 hours. This guide has worked perfectly for me and I want to share it with all the great moms out there who would love to see their little bundle of joy sleeping through the night, giving them enough time to get some much needed rest and get back to some normal activities.
