ZOEY FINDS A FAWN: A BACKYARD ADVENTURE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. While visiting her grand parents farm, Zoey stumbles on a fawn. Following the advice from Zoey s grandfather, Zoey learns a valuable lesson about wild babies. This book includes a section for parents about what to do if a white-tailed deer fawn is found. Each year, countless fawns are rescued by well-meaning people who believe the fawn is abandoned or orphaned. Such rescues often end terribly for the baby animal. This book introduces children to the concept of leaving wild babies alone, but with the understanding that some baby animals truly are in trouble. Zoey Finds a Fawn will help children and adults learn what to do when faced with this very common backyard situation. Story and illustrations by a veteran wildlife rehabilitator, Peggy Hentz as the second in the adventure in learning to live with wildlife series. Written in poetry style, Zoey Finds Fawn is both educational and entertaining, and has a wonderful surprise ending. Zoey moved a little closer And whispered, so as not to fright, Hi there, little baby deer. Is everything all right? Why are you all alone? Is there something wrong? Are you lost, or are you hurt? Did you lose your mom?.
