Cicerone Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. This walking guidebook describes 42 day routes exploring the stunning Auvergne region in central France. The walks are ideal for day walkers and hikers, with routes ranging from easy 5km outings to more challenging 20km hikes. All are illustrated with clear mapping and colour photographs. The guide focuses on the best routes in five different areas, including Cantal, the Chaine des Puys (Monts Domes), the Monts Dore, the Haute Loire (Livradois and Velay) and the Montagne Bourbonnaise, with bases including Vichy, Clermont-Ferrand and Puy-en-Velay. The routes in this guidebook offer walking on truly spectacular volcanic landscape, with grassy domes and volcanic bowls and long, rambling ridges, yet the walking is generally suitable (nothing over 1,900m) for all walkers, and the area is both accessible and provides a wide range of cultural and historical (and geological) interest. The guidebook also provides a wide range of practical information for visiting the Auvergne, with accommodation transport, and preparation advice, as well as providing a wealth of detail on the many places of interest along the walks.
