Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Theology of the Old Testament Chapter V. Israel as the People of Jehovah, needs, perhaps, a special explanation. In this I have to some extent combined features from the Levitical Law with the pictures of the Israel of the Monarchy. For I am convinced that in spite of much that is late in form and detail, and even in spirit - the Levitical Law, as well as Deuteronomy has a certain spiritual harmony with the prophetic ideal for Israel. moreover, O. T. Has come down to us as an integer, for which first the Jewish and then the Christian Church claimed integral authority. We are therefore bound to attempt some total estimate of its teaching. From this standpoint, as well as for reasons Of space, I have given no detailed separate treatment to the Law, the History, the Prophets, and the Wisdom, Apocalyptic, and Devotional Literature. Often they only represent contemporaneous aspects of the same religious movements. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
