Dover Publications Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Oh, Christmas tree! Here s everything kids need to make a full-color, 161/2-inch-tall holiday fir, complete with 16 ornaments and a shiny star for the top. This activity is recommended for ages 7 and up; children without much craft experience might need an adult s help. Easy-to-follow directions explain how to assemble the nine-piece tree. No scissors are required because the pieces simply pop right out of the book. Folding is easy, thanks to the pre-scored lines on all the pieces. A few dabs of glue are all that s needed to put together each three-piece ornament. Once the tree is assembled, the ornaments can be rearranged over and over again!.
