## A WEE CHRISTMAS HOMICIDE, A (PAPERBACK)

Kensington Publishing, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Tis the season to be jolly, but in Moosetookalook, Maine, Christmas cheer is in short supply due to a snowless winter that s keeping skiers and shoppers at a distance. Fortunately, Liss MacCrimmon of the Scottish Emporium has a plan. . . Liss s brainstorm focuses on Tiny Teddies, the new hot toy of the season. Every store across the country is out of stock--except a few wee establishments in good ol Moosetookalook. The first sign of something amiss occurs when the last Tiny Teddy is summarily executed: shot through the heart in the display window of greedy toy store owner Gavin Thorne. But the Teddy s demise is just a precursor to the eerily similar murder of Gavin himself. . . Now, with the Twelve (or, in Scots terms, the Daft) Days of Christmas rapidly approaching, Liss has a plate full of things worse than haggis to contend with, starting with a stockroom packed with poultry (don t ask), and ending with a killer who d like to see Liss s goose well and fully cooked. . . A picturesque location, a bit of romance, some suspense, and a cast of appealingly quirky characters. --Booklist The blend of romance and cozy mystery will please lovers of all things Scottish. --Kirkus Reviews Perfect for the holiday season. --Romantic Times.
