## MITT ROMNEY: AN INSIDE LOOK AT THE MAN AND HIS POLITICS (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The 2012 race for the White House is racing along at full tilt. Mitt Romney is widely assumed to be the front-runner for the Republican nominee. Question is, can he hold the lead? Ron Scott provides the first independent (unauthorized) biographical profile of the possible Republican nominee. Mitt Romney takes a frank and revealing look at what makes Mitt the man tic, more human than he often appears to be on the stump: his character, convictions, his words and actions, yes his flips and his flops too, and, his triumphs and setbacks. It will also attempt to answer the question everyone is asking: Can a faithful Mormon really win his party s nomination and then upset the popular if now struggling, incumbent President, Barack Obama? Drawing on extensive research amassed over more than two decades, including interviews with people who know him best-allies and adversaries alike-this book will paint a savvy, textured, and revealing portrait of the candidate, his history, family, religion, political beliefs, and strategy. It will put Mitt in context like no other book to date.
