SECRETS OF SPECIAL OPS LEADERSHIP: DARE THE IMPOSSIBLE, ACHIEVE THE EXTRAORDINARY (PAPERBACK)

Amacom, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Navy SEALs. The Green Berets. Delta Force. These are just a few examples of what are known as special ops -- unique fighting forces trained to beat overwhelming odds on every mission. Using principles like speed, purpose, repetition, surprise, and simplicity, elite units such as these have throughout history accomplished extremely challenging tasks against vastly superior forces. When something seemingly impossible must be achieved, special ops forces are the ones called upon for a miracle. Just as special ops are needed for critical tasks in battle, ultra-high achievers are needed for special circumstances in business: situations where time is important, when resources are low or insufficient, where you are challenging conventional wisdom or established competitors, or where crisis is imminent. But can commando techniques really work in business? If you can inspire and lead your employees to work at peak performance, they will accomplish dramatic, almost fantastic feats for you -- just as fighting commandos do in battle situations. Secrets of Special Ops Leadership reveals the essential methods commando leaders employ, using dramatic real-life stories of commando leadership from biblical times all the way up through Iraq and Afghanistan in 2005, and showing how similar techniques are used by present-day business leaders such as Steve Jobs, Mary Kay Ash, Robert Townsend, and others. You ll learn the fourteen core practices of special ops leadership, including how to: * Create the Best If you think you can just call some of your regular employees together and give them a pep talk and an impossible task to do, you re wrong. Business commandos aren t born. They must be created. Your first task as a special ops business leader is to recruit, select, train,...
