THE PARADOX OF POLITICAL PHILOSOPHY: SOCRATES PHILOSOPHIC TRIAL (HARDBACK)

ROWMAN LITTLEFIELD, United States, 1998. Hardback. Condition: New. Language: English . Brand New Book. In engaging five of Plato s dialogues-Theaetetus, Euthyphro, Cratylus, Sophist, and Statesman-and by paying particular attention to Socrates intellectual defense in the philosophic trial by the Stranger from Elea, Jacob Howland illuminates Plato s understanding of the proper relationship between philosophy and politics. This insightful and innovative study illustrates the Plato s understanding of the difference between sophistry and philosophy, and it identifies the innate contradictions of political philosophy that Plato observed and remain entrenched within the field to this day. This is essential reading for anyone interested in the past, present, and future of political philosophy.
