Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 2001, Michael Owen and Stephen Payseur were playing golf together. During their play the discussion turned to many areas including religion. After talking for awhile they realized that they knew very little about the Apostles of Christ. They decided to do something about it. Both friends researched the Apostles and found some interesting stories, most of which they had never heard. They decided to write a book about all the things they had found in their research. They had no idea that their little, easy-to-read, book would turn out to be so popular. They were invited to speak at many book clubs, churches, and civic groups throughout the area and the book sold thousands of copies, surprising everyone. **A.D. The Fate of the Apostles of Christ (and Others) After the Crucifixion**, has been out of print for over 10 years. In Late 2010, Mike and Steve decided to re-issue the book with some up grades, including pictures, and new cover and other enhancements. This is the result. It still contains the stories and legends surrounding the deaths of the Apostles, plus it includes others who were present or had some role in the Crucifixion. People like King Herod, Pontius Pilate, Mary Magdalene, and Joseph of Arimathea are included. This little book pack lots of information between its covers and is an excellent starting point for anyone wanting to know more about the events in the early Christian Church.
