

## Einstein Theory of Relativity: A Trip to the Fourth Dimension (Paperback)

By Lillian R. Lieber, Hugh Gray Lieber

Paul Dry Books, Inc, United States, 2008. Paperback. Condition: New. Paul Dry Books. Language: English . Brand New Book. Oh, what a delightful book! This is the clearest explanation of relativity available--and the most fun. It's great to have it available again. Whether or not you're a scientist, you will relish this book. --Walter Isaacson, author of Einstein: His Life and Universe Using just enough mathematics to help and not to hinder the lay reader, Lillian R. Lieber provides a thorough explanation of Albert Einstein's theory of relativity. Her delightful style, in combination with her husband's charming illustrations, makes for an interesting and accessible read about one of the most celebrated ideas of all times. A clear and vivid exposition of the essential ideas and methods of the theory of relativity can be warmly recommended especially to those who cannot spend too much time on the subject. --Albert Einstein If you know high-school math, are not afraid of equations, and want to find out what Einstein really said, read Lillian Lieber's book. She will lead you through special and general relativity, helping you at every step to understand the essential equations, including tensors, with amazing clarity...
