

Witch (Paperback)

By Damian Walford Davies

Poetry Wales Press, United Kingdom, 2012. Paperback.
Condition: New. Language: English . Brand New Book. With the narrative pull of a novel and the vibrancy of a play, this collection offers a thrilling portrait of a Suffolk village in the throes of the witchcraft hunts of the mid-17th century. The poems in this collection are dark spells, compact, and moving, delivered by those most closely involved in the making of a witch. The speakers from priest Thomas Love and the villagers, who slowly succumb to suspicion and counter-accusation, to the witch hunter Francis Hurst and the witch herself authentically conjure a war-torn society in which religious paranoia amplifies local grievances to fever pitch.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
