SURFACTANTS IN CONSUMER PRODUCTS

Condition: New. Publisher/Verlag: Springer, Berlin | Theory, Technology and Application | In to days market, custom formulated surfactants are offered for a wide range of applications. The need for surfactants in detergents, cleaning agents, cosmetics & toiletries is second only to an expanding demand in industrial applications. But even within the non-industrial areas the demands have undergone significant changes in recent years. For example, washing and cleaning temperatures have substantially decreased with increased energy conservation attitudes, and more stringent regulatory...
