## CONFESSIONS, REVISED AND UPDATED (PAPERBACK)

North Atlantic Books,U.S., United States, 2015. Paperback. Condition: New. Revised, Updated. Language: English . Brand New Book. Matthew Fox s stirring autobiography, Confessions, reveals his personal, intellectual, and spiritual journey from altar boy, to Dominican priest, to his eventual break with the Vatican. Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey, and his reflections on the current changes taking place in the Catholic church. Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger, who later became Pope Benedict XVI. Fox took this as a warning from the Church that henceforth thinkers should not think, but get in line. It is from this anti-intellectual, inquisition-style mentality that the cover-up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes-men. Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack. It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis, but holds little hope for the institutional church. Rather, this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion. Fox draws inspiration from great mystics of the past, such as Hildegard of Bingen (a champion of the Divine Feminine) and Meister Eckhart (a profoundly mystical and ecumenical champion of those without a voice), and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world s spiritual traditions to stand...
