

Vampires and Werewolves (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Earth Wise Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Filled with action, suspense, danger, magic, and a little bit of love, VAMPIRES AND WEREWOLVES follows THE CURE and VAMPIRE INIQUITY in the Tugurlan Chronicles. OH NO. THE MUTANT VAMPIRES ARE BACK! The gang heads back east after the potion Elsa prepared for Bruce in Phoenix didn't quite do the trick in curing him of werewolfism. As the full moon approaches, Bruce and Tatyana head back to his cabin to await news from Dan and Shen, who are diligently searching for a professor who might be able to help them. They don't find the professor, but they do find Magdalena, a hot and sexy vumpire from the planet Vumpirus, and Garth, her trusty lycanthrope guard. Sparks fly when Magdalena and Dan connect. They pair up in more ways than one when both Tatyana and Shen are captured by remnants of the mutant vampire den they'd destroyed in Las Vegas. Horror of horrors! These grotesque creatures not only survived but they've got dens throughout the country and they want Tatyana for their queen! Garth shares a secret with Bruce on how to keep his need to change during the full moon at bay and they're off to rescue Shen and Tatyana. Elsa joins in the search, and it's a good thing, since the vampires recruited their own magician. Will they rescue Shen and Tatyana before it's too late?.
