

The chemical adsorption of the solid-water interface [Paperback]

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

THE CHEMICAL ADSORPTION OF THE SOLID-WATER INTERFACE [PAPERBACK]

To read **The chemical adsorption of the solid-water interface [Paperback]** PDF, please refer to the button below and download the file or have access to other information which might be relevant to THE CHEMICAL ADSORPTION OF THE SOLID-WATER INTERFACE [PAPERBACK] book.

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages Number: 284 Language: Simplified Chinese Publisher: Metallurgical Industry Press; 1st edition (October 1. 2011). The chemical adsorption of the solid-water interface by Ma Wei compiled. mainly on the solid-water interface the basic theory of chemical adsorption techniques. new achievements and trends. The book is divided into 9 chapters. respectively. from the water chemistry theory. the functional groups of the solid interface. and power distribution. cations. anions. organic molecules and particles in the water distribution rules and the theory of the adsorption reaction. the heavy metal biosorption characteristics of the content point of view to start the system adsorption law of the introduction of solids and aqueous solutions. highlighting the ionic and molecular state. the solid interface characteristics and interfacial reactions in three aspects of solid adsorption reaction methods and development. thus revealing the adsorption element separation. water purification and solution purification field wide application potential. The chemical adsorption of the solid-water interface can be used as the institutions of higher learning inorganic chemistry. water science postgraduate teaching materials. chemistry. chemical engineering. environmental. biological. pharmaceutical. materials. metallurgy and other related professionals are also available for reference and reading. Four Satisfaction guaranteed, or money back.
